<b>Hospital Services</b>			
1	Intensive Care Unit	1 bed day	35 000
2	Paid units (single-bed wards)	1 bed day	35 000
3	Paid Cardiovascular Care Unit, Cardiac Surgery Unit (1-bed ward)	1 bed day	35 000
4	Paid Cardiovascular Care Unit, Cardiac Surgery Unit (2-bed ward)	1 bed day	25 000
5	Paid Internal Medicine Department	1 bed day	25 000
6	Check-Up (for the patients of the paid department, who had corona virus disease) (from 08.00 till 17.00 p.m., without meals)	1 bed day	70 000
7	Day-patient treatment	1 bed day	10 000
8	Paid units (superior comfort)	1 bed day	50 000
<b>Admission Ward</b>			
9	Patient examination	one procedure	5 000
<b>Surgery</b>			
10	Aortocoronary and mammary coronary bypass of coronary arteries	one surgery	3 000 000
11	Aortic valve replacement	one surgery	3 500 000
12	Aortic and mitral valve replacement	one surgery	3 500 000
13	Valve replacement (1 valve + cryo ablation of left, right atrium, left atrial appendage clip)	one surgery	5 000 000
14	Aortocoronary and mammary coronary bypass by minimally invasive access	one surgery	4 000 000
15	Minimally invasive cardiac surgery (MICS)	one surgery	4 000 000
16	Prosthetics of ascending aorta with/w/o aortic valve replacement (Bentall procedure, Borst procedure)	one surgery	6 200 000
<b>X-ray Vascular Surgery</b>			
17	Coronary vessel stenting (drug eluting)	one surgery	2 000 000
18	Peripheral artery stenting	one surgery	1 500 000
19	Stent-graft insertion in abdominal or thoracic aorta	one surgery	4 500 000
20	Endovascular aortic valve implantation	one surgery	7 000 000
21	Coronary angiography	one surgery	500 000
22	Coronary angiography. Left heart catheterization. Left ventricular angiography	one surgery	550 000
23	Occluder implantation with birth defect of heart (atrial septal defect, ventricular septal defect)	one surgery	3 500 000
24	Arteria renalis denervation with resistant hypertension	one surgery	2 500 000
25	X-ray endovascular uterine artery occlusion (Uterine Artery Embolization)	one surgery	1 000 000
26	X-ray endovascular prostate gland artery occlusion with prostatic hypertrophy	one surgery	1 000 000
27	X-ray endovascular splenic artery occlusion	one surgery	1 000 000
<b>Radio Frequency Ablation</b>			
28	Pacemaker implantation	one surgery	2 200 000
29	Resection or destruction of other affected site or tissue of heart using endovascular access (using navigation system)	one surgery	5 000 000
30	Resection or destruction of other affected site or tissue of heart using endovascular access (w/o navigation system)	one surgery	2 500 000
31	Resection or destruction of other affected site or tissue of heart by endovascular ablation (cryo ablation) method with atrial fibrillation	one surgery	5 000 000
32	Electrophysiological examination (EPE)	one surgery	1 000 000
<b>Resuscitation and Anesthesiology</b>			
33	Combined anesthesia (endotracheal inhalant + intravenous anesthesia), surgery duration: 8 hours.	service	240 000

No.	Description of Services (Products)	Unit of measurement	Price (KZT)
34	Combined anesthesia (endotracheal inhalant + intravenous anesthesia), surgery duration: 5 hours.	service	170 000

No.	Description of Services (Products)	Unit of measurement	Price (KZT)
35	Total venous anesthesia (intravenous sedation at gastroscopy), surgery duration: 20 minutes.	service	15 000
36	Total venous anesthesia (intravenous sedation at gastroscopy), surgery duration: 40 minutes.	service	20 000
37	Total venous anesthesia (intravenous sedation at esophagus vein closure, intravenous sedation at colonoscopy), surgery duration: 60 minutes.	service	23 000
<b>Endoscopy and Interventional Gastroenterology Department</b>			
<b>Endoscopic Intervention (the cost of consumables is not included in the cost of procedure)</b>			
38	1 category – relatively simple and cost effective interventions (elimination of small foreign bodies/epithelial lesions, bougienage of constrictions, taking sounding, injection of preparations, installation of medicines and the like)	one procedure	15 000
39	2 category – interventions of medium complexity (insertion and removal of intragastric balloon, closures of 2-3 esophagus protuberant varicosities, elimination of moderately severe foreign bodies, removal of polyps of up to 2 cm/several small polyps and the like)	one procedure	30 000
40	3 category – complicated procedures (insertion and removal of stents with stenosis, ERCP, endoscopic papillosphincterotomy, balloon dilatation of structures, removal of large or multiple polyps and the like)	one procedure	50 000
41	4 category – rare and complicated endoscopic interventions (resections of diverticulum, myotomy, resection of submucosal tumors and the like)	one procedure	150 000
<b>Endoscopic examination</b>			
42	Esophagogastroduodenoscopy	one examination	15 000
43	Videocolonoscopy	one examination	20 000
44	Anosigmoidoscopy	one examination	12 000
45	Biopsy sampling	one examination	3 500
46	Ligation of esophageal varices (including cost of ligator)	one examination	200 000
47	Ligation of esophageal varices (w/o cost of ligator)	one examination	80 000
48	Urea breath testing for HP	one examination	6 000
49	Test kit for urea breath biopsy material activity	one examination	5 000
50	Fiber-optic bronchoscopy	one examination	15 000
51	Endoscopic mucous resection (polypectomy) of 1 gastrointestinal tract organ, I complexity category	one examination	65 000
52	Endoscopic mucous resection (polypectomy) of 1 gastrointestinal tract organ, II complexity category	one examination	85 000
53	Cold polypectomy (polyps of up to 0.5 cm)	one examination	10 000
54	Video capsule endoscopy (including cost of capsule)	one examination	350 000
55	Endoscopic hemostasis (coagulative)	one examination	40 000
56	Endoscopic hemostasis (clipping)	one examination	40 000
57	Endoscopic hemostasis (injection) by reusable device	one examination	40 000
58	Endoscopic hemostasis (injection) by disposable device	one examination	125 000
59	Balloon dilatation of colonic stricture	one examination	90 000
60	Balloon assisted enteroscopy	one examination	320 000
61	Histological examination of 4 complexity (gastroscopy)	one examination	8 500
62	Histological examination of 4 complexity (colonoscopy)	one examination	11 000
<b>Function Tests</b>			
63	Cycle ergometer test	one service	8 000
64	Treadmill test	one service	8 000
65	Stress echocardiography	one examination	17 000
66	USDG of one region (brachiocephalic artery and other limbs)	one examination	15 000
67	USDG of liver and spleen vessels	one examination	15 000
68	Transoesophageal echocardiography	one examination	20 000
69	Transoesophageal echocardiography with anesthesia	one examination	34 000
70	Ultrasonography of heart with Doppler echocardiometry	one examination	9 000
71	Ultrasonography of abdominal organs	one examination	5 500
72	Ultrasonography of kidneys	one examination	4 000
73	ECG and reading	one examination	3 000

No.	Description of Services (Products)	Unit of measurement	Price (KZT)
74	Ultrasonography of thyroid body	one examination	4 000
75	Ultrasonography of pleural cavity	one examination	3 500
76	Ultrasonography of joints	one examination	5 000
77	Ultrasonography of lesser pelvis	one examination	8 000
78	Ultrasound investigation of pelvic organs (gynecology, including the pregnant women)	one examination	5 000
79	Liver elastography	one examination	7 000
80	Ultrasonography of bowels	one examination	12 000
<b>Function and Diagnostic Testing</b>			
81	Day holter of arterial blood pressure	one examination	7 000
82	Day holter of ECG	one examination	11 000
83	Day holter of arterial blood pressure and ECG	one examination	17 000
<b>Isotopic Examination</b>			
84	Myocardial perfusion scintigraphy	one service	40 000
<b>X-ray Examination</b>			
85	Chest X-ray (plain)	one examination	3 500
86	Chest X-ray (Fleischner's sign)	one examination	3 500
87	Cervical spine X-ray through open mouth	one examination	3 500
88	Collar bone X-ray, posteroanterior	one examination	3 500
89	Shoulder joint X-ray, posteroanterior	one examination	3 500
90	Shoulder joint X-ray, 2 projections	one examination	4 000
91	Skull X-ray, 2 projections	one examination	4 000
92	Maxillary sinus X-ray	one examination	3 500
93	Cervical spine X-ray, 2 projections	one examination	4 000
94	Thoracic spine X-ray, 2 projections	one examination	4 000
95	Lumbar spine X-ray, 2 projections	one examination	4 000
96	Thoracic organ X-ray, 2 projections	one examination	4 000
97	Tail bone X-ray, 2 projections	one examination	4 000
98	One hip joint X-ray, posteroanterior	one examination	3 500
99	Elbow joint X-ray, 2 projections	one examination	4 000
100	Wrist joint X-ray, 2 projections	one examination	4 000
101	One hand X-ray, 2 projections	one examination	4 000
102	Both hands X-ray, posteroanterior	one examination	3 500
103	Abdominal organs X-ray	one examination	3 500
104	Pelvic bones X-ray, posteroanterior	one examination	3 500
105	Knee joint X-ray, 2 projections	one examination	4 000
106	One joint X-ray, 2 projections	one examination	4 000
107	Ankle joint X-ray, 2 projections	one examination	4 000
108	Both feet X-ray, posteroanterior	one examination	3 500
109	One foot X-ray, 2 projections	one examination	4 000
110	Heel bone X-ray, 2 projections	one examination	4 000
111	Turkish saddle X-ray	one examination	3 500
112	Petrous pyramid X-ray	one examination	3 500
<b>Multispiral Computed Tomography</b>			
113	Non-contrast computed tomography (primary examination)	one service	15 000
114	Non-contrast computed tomography (secondary examination)	one service	12 000
115	Non-contrast computed tomography (discount for pensioners, handicapped persons)	one service	12 000
116	Non-contrast computed tomography (discount for the surgical unit's patients)	one service	12 000
117	Contrast-enhanced computed tomography	one service	45 000
118	Contrast-enhanced computed tomography discount for pensioners, handicapped persons)	one service	32 000
119	Computed tomography of cervical spine, thoracic spine, lumbar spine (with film)	one service	10 000
120	Computed tomography of cervical spine, thoracic spine, lumbar spine (w/o film)	one service	8 500
121	Contrast-enhanced computed tomography (Visipaque)	one service	50 000
122	Contrast-enhanced computed tomography (Omnipaque)	one service	50 000
123	Contrast-enhanced computed tomography (Ultravist)	one service	50 000
<b>Magnetic Resonance Therapy</b>			
124	Brain MRI	one service	20 000
125	Contrast-enhanced brain MRI	one service	37 000
126	Brain MRI + vessel angiography	one service	30 000

No.	Description of Services (Products)	Unit of measurement	Price (KZT)
127	MRI of any one region of spine	one service	15 000
128	Hand MRI (one side)	one service	25 000
129	Knee joint MRI (one side)	one service	20 000
130	SI joint MRI	one service	15 000
131	Elbow joint MRI (one side)	one service	20 000
132	Wrist joint MRI (one side)	one service	20 000
133	Pelvic organs MRI	one service	25 000
134	Thigh soft tissue MRI (one side)	one service	25 000
135	Leg soft tissue MRI (one side)	one service	25 000
136	Shoulder soft tissue MRI (one side)	one service	25 000
137	Forearm soft tissue MRI (one side)	one service	25 000
138	Neck soft tissue MRI + thyroid body	one service	25 000
139	Orbital MRI (both eyes)	one service	20 000
140	Foot MRI (one side)	one service	25 000
141	Hip joint MRI	one service	25 000
142	Neck MRI angiography	one service	20 000
143	Abdominal organs MRI	one service	30 000
144	Contrast-enhanced MRI of abdominal organs	one service	47 000
145	Contrast-enhanced MRI of lesser pelvis	one service	42 000
146	Heart MRI	one service	50 000
147	Contrast-enhanced MRI of heart	one service	67 000
148	MR enterography	one service	67 000
149	Abdominal organs and retroperitoneal space MRI	one service	15 000
<b>Physiotherapeutic Services</b>			
150	Physiotherapist's consultation (initial)	one appointment	7 500
151	Physiotherapist's consultation (recurrent)	one appointment	5 000
152	Consultation by Doctor of Physical Medicine and Rehabilitation (initial)	one appointment	8 000
153	Consultation by Doctor of Physical Medicine and Rehabilitation (recurrent)	one appointment	5 500
154	Group activities in therapeutic exercise gym, 60 min.	one service	3 000
155	Group activities in therapeutic exercise gym, 30 min.	one service	2 000
156	Individual activities in therapeutic exercise gym, 30 min.	one service	3 000
157	Individual activities in therapeutic exercise gym, 60 min.	one service	6 000
